

There are three finance related council committees. The Council Finance Committee is responsible to the council president for building an organization capable of executing the council's overall finance plan in support of the strategic plan by overseeing and ensuring the council's fiscal capacity to provide a quality program for young people. The Development Committee is responsible for executing the council's overall development plan by raising the required operating funds to meet the annual council budget and capital funds for land and facilities. The Endowment Committee is responsible for the growth of the council's endowment funds to ensure the ability of the council to provide a quality program for young people into the future.
