### Partnership for Scouting Troop Rebate

The Great Southwest Council units that become Partnership for Scouting units in 2024 qualify for a 10% rebate on summer camp fees. Rebate checks will be presented at the Scoutmaster Dinner on Thursday evening.

### Camperships

No Scout should ever be denied a summer camping experience. Youth in the Great Southwest Council in financial need can apply for a campership to help cover part of the camp fees. Camperships are available through the Order of the Arrow. The application is found on our website: [www.gswcbsa.org](http://www.gswcbsa.org). The deadline to submit campership applications is April 4, 2025.
